Structure / Action

Appendix

S & Public

B

How do we create streets to facilitate feel, character & we seek?

WHAT MAKES AN INVITING STREET

LOCAL FEATURES

ART

CONTRAST IN HARDSCAPE MATERIALS TO CREATE UNIQUE IDENTITY @ NODES

ENHANCED GREEN SPACE

How streets = pedestrian / infrastructure

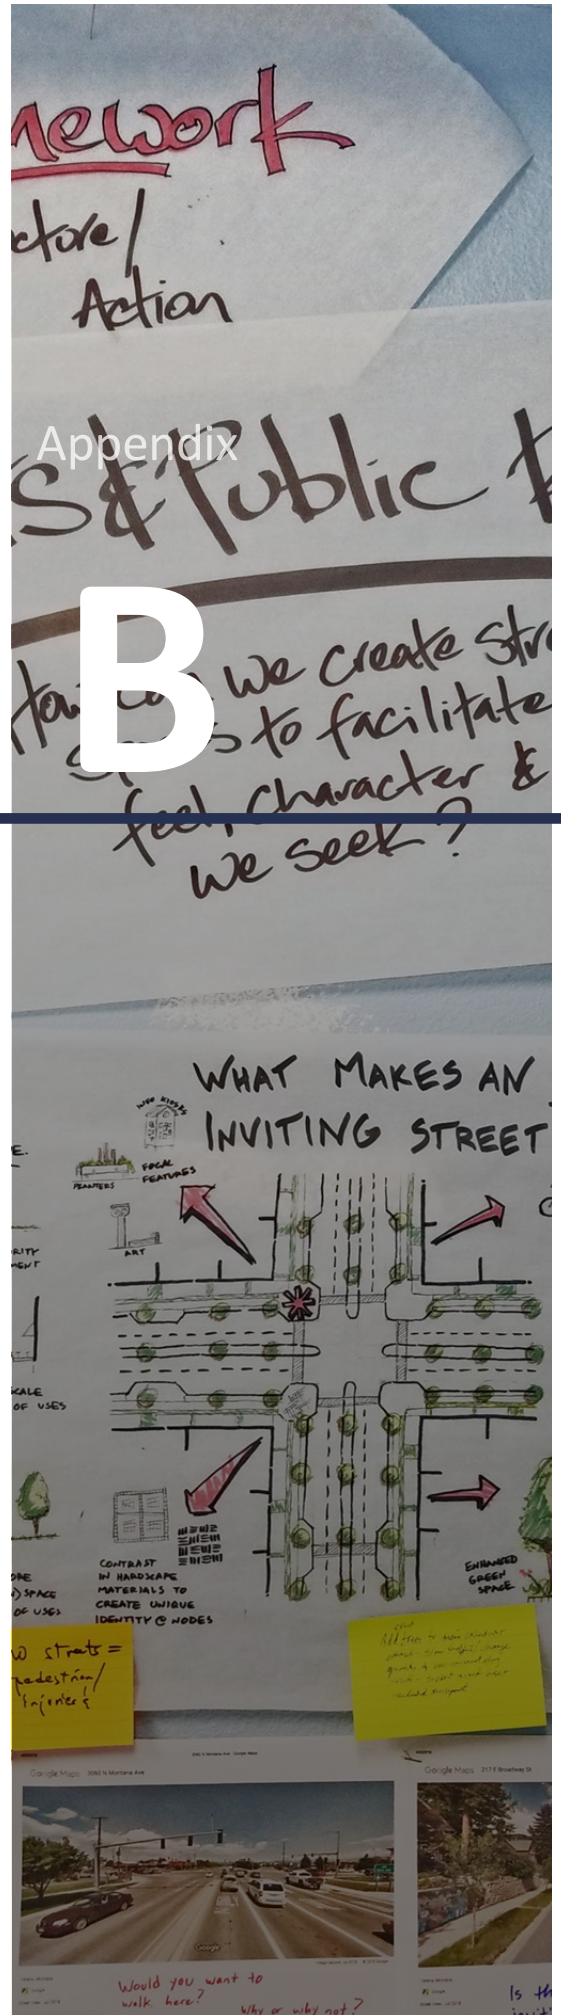

Attention to detail, material, texture, color, height, shape, quantity, quality, and context of the street design.

Would you want to walk here? Why or why not?

Is this inviting?
